

# Toll prices

The West Gate Tunnel Project will be tolled to balance traffic across the freeway network and to help fund its construction and ongoing operation.

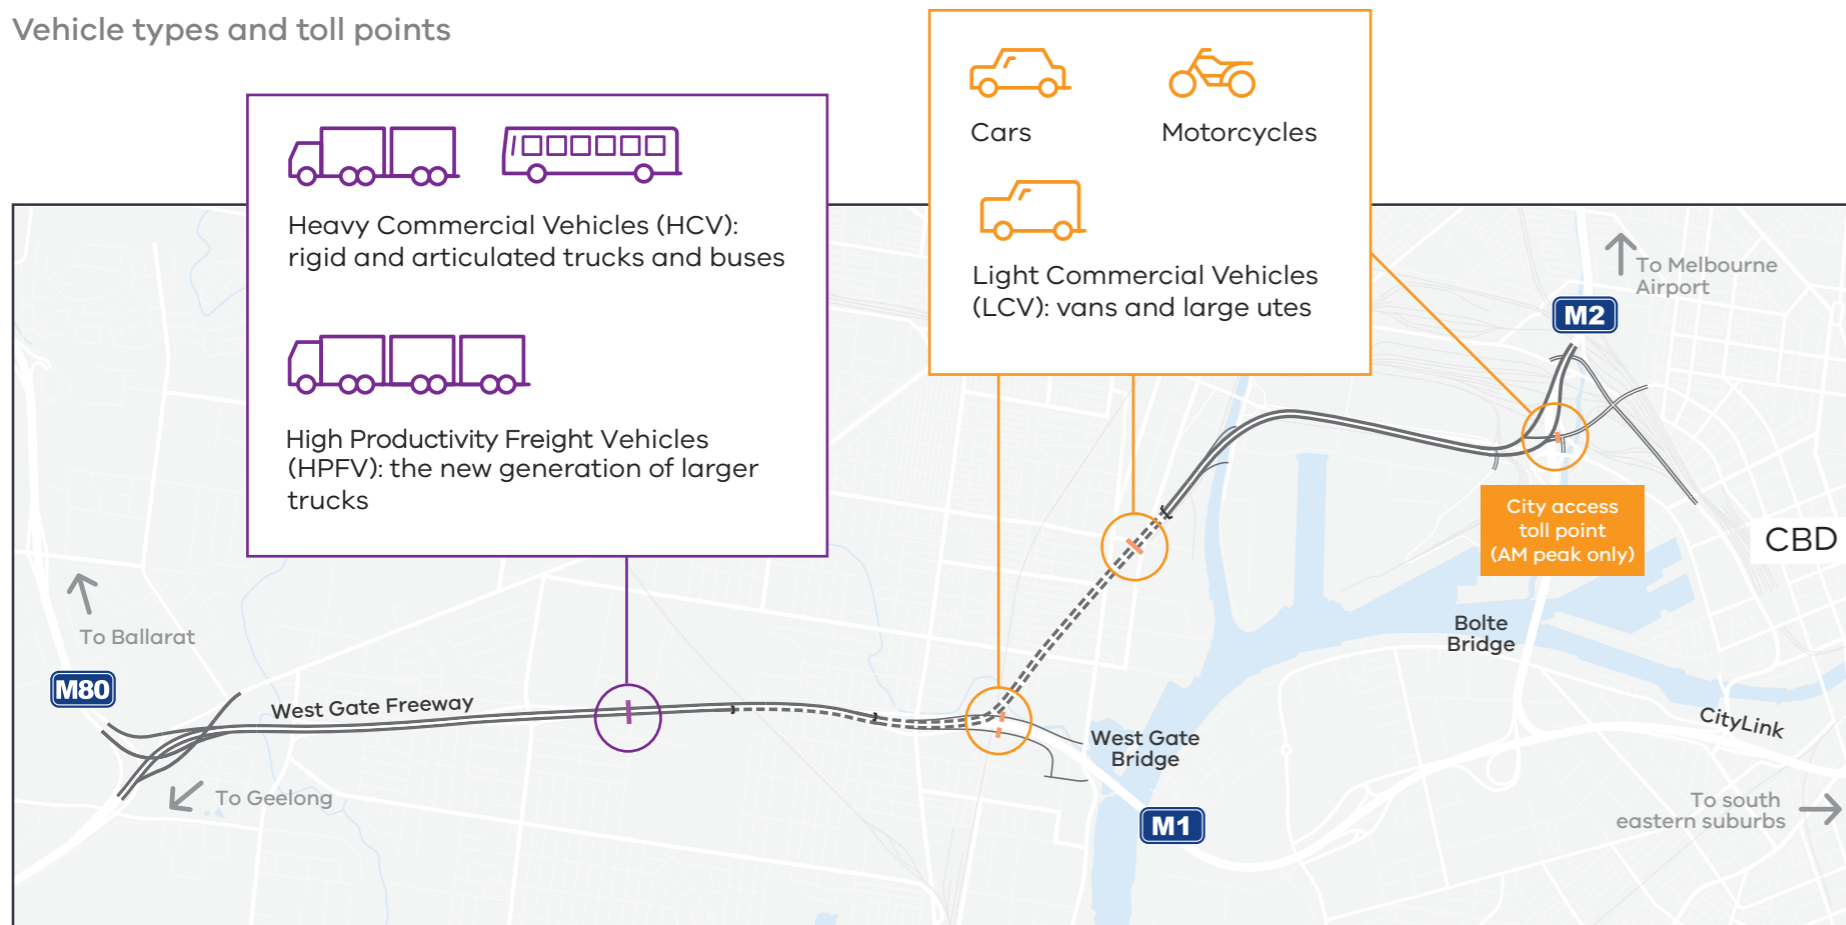

## Benefits for drivers

- An alternative to the West Gate Bridge with a new three lane tunnel
- Four more lanes on the West Gate Freeway
- Freeway to freeway connection
- Strengthened freeway and direct connection to the port for freight.
- Full freeway management system for better traffic flow traffic flow, safety and reliable travel times

## Who pays tolls?

Vehicle types and toll points

## Toll prices

\*All prices are rounded and shown in 2017 dollars.

	Cars	Motor-cycles	LCVs	HCVs		HPFVs	
				Day	Night	Day	Night
West Gate Freeway	No toll	No toll	No toll	\$14.60	\$9.75	\$21.90	\$14.60
Hyde Street Tunnel	\$3.00	\$1.50	\$4.85	Trucks pay a toll on the West Gate Freeway for access to the upgraded freeway, new tunnels and connections.			
City access (AM peak only)	\$4.80	\$2.40	\$7.70				

## 24-hour pass

Drivers can purchase up to six 24-hour passes per year to use the West Gate Tunnel or both the West Gate Tunnel and CityLink for unlimited travel during that time.

	Cars	Motorcycles	LCVs	HCVs	HPFVs
West Gate Tunnel	\$12.40	\$6.20	\$19.80	\$36.50	\$54.70
West Gate Tunnel and CityLink	\$28.10	\$14.05	\$57.90	\$70.15	\$105.20

## Value for trucks

Tolling discounts and trip caps will help make the upgraded freeway and new tunnels even more cost-effective for trucks.

**West Gate Freeway multi-trip discount:** trucks travelling back and forth all day will have discounted tolls after the fourth trip and no charge after the eighth trip.

- First 4 trips – trucks pay full toll
- Trips 5-8 – trucks pay 50% of toll
- Trips 9+ – no further charges

**Multi-road toll cap:** trucks travelling on CityLink and the West Gate Tunnel Project will have tolls for a single trip capped at \$27.15 for HCVs and \$40.75 for HPFVs.

**Night time discount:** trucks travelling at night (between 8pm and 6am) receive a 33% discount.
