## Works update: Piling works postponed to Sunday 22 April

Further to our previous notification of 22 March, *Works notification: Whitehall Street and Hyde Street*, we wish to advise that the **piling works will now occur on Sunday 22 April, 7am to 6pm**, at our construction site on Whitehall Street. An additional day of piling may be required on **Sunday 29 April, 7am to 6pm**.

These specific piling works can only be completed during an electricity isolation. As a small number of businesses on Youell Street will be affected by electricity service interruptions, the works are planned to occur on a Sunday to minimise disruption. Affected businesses will be contacted by their electricity provider before any disruption.

Increased noise levels are expected and will be closely monitored.

Please note that works may be rescheduled in the event of bad weather or other unavoidable circumstances.
