WORKS NOTIFICATION: Site investigations on Wurundjeri Way

Ongoing until September 2018

Over the coming months we will be undertaking site investigation works on Wurundjeri Way to identify utility services and better understand ground and road conditions in the area.

Investigation works will include:

- electronic scanning of roads and footpaths
- non-destructive digging to identify underground services such as gas and water
- drilling bore holes up to 40 metres in depth
- removing some shrubs in work zones if required

What to be aware of

- Night time traffic lane closures will be in place at times. All lanes will remain open during the day. For the latest traffic updates visit westgatetunnelproject.vic.gov.au/travel disruptions/
- We will notify you if there are any significant changes to the timing of our works.
